Attached please find a copy of the adopted 2025 budget for the Harmony Technology Park Metropolitan District.

The Harmony Technology Park Metropolitan District has adopted a budget for three separate funds, a General Fund to provide for the payment of operating and maintenance expenditures; a Capital Projects Fund to provide for estimated infrastructure costs that are to be built for the benefit of the district; and a Debt Service Fund to provide for payments on the outstanding general obligation bonds.

The district's accountants have utilized the modified accrual basis of accounting, and the budget has been adopted after proper postings, publications, and public hearing.

The primary source of revenue for the district in 2025 will be property taxes from the imposition of a 15.500 mill levy on property within the district for 2025, of which 1.000 mill will be dedicated to the General Fund and the remaining balance of 14.500 mills will be allocated to the Debt Service Fund.
